

## Give light to those living in Darkness.

Every evening many poor families are plunged into darkness with no way of lighting their homes, except with dangerous paraffin and kerosene lamps. These fuel based lamps cause lots of health problems and are expensive to run. Many just go to bed and wait for the sun the next morning.

**This Solar lamp will deliver hours of light every night free of charge through Solar technology.**

We are looking for donations to help us in our work of supporting poor families in Malawi.

We are looking for donations to help us support poor families in Malawi.

For example a donation of £12.00 will provide a Solar Lamp and cover any shipping costs incurred. (please note any remaining funds will be used by Shine Relief Trust to support the ongoing aims of the charity).

name.....address.....

email..... Telephone.....

I would like to donate £..... to provide ..... Solar lamp(s) for the people of Malawi.

signed.....

I enclose a payment of .....

(cheques to be made payable to "Shine Relief Trust")

return to - Shine Relief Trust , 234 Priory Road , Hull, HU5 5RU.
